Notes

Regimental Guns replace Light Gun TUGs at a rate of 3 Regimental Guns per Light Gun TUG
 Shore Bombardment and Littoral arrival are not mandatory.

Hwachas are classified as Medium guns. In the first turn if they do not fire, and they are adjacent to a foot TUG they may make 1 move with that TUG (dragged or pushed, as if they were a skirmisher). After this first move they revert to moving as normal Medium Artillery. This must be explained to your opponent during deployment
